

## E-Newsletter for AK/BC Pastors and Supporters

March 2021

### A Heartfelt "Thank You!"

Let us start by saying "Thank You" for making us feel welcomed to your great state! Since being in Alaska, we have met a few pastors and have visited in a few churches. The COVID restrictions have certainly placed a damper on our desire to get out and meet each one of you in person. However, we will press forward and continue to pray that before long, we can visit and fellowship freely! Sadly, we've had to cancel some important state functions. But, be encouraged! It won't be this way forever. Let's keep our focus on the many blessings God has bestowed upon us and keep looking forward!

By now, you've probably realized that this is a different way to receive the quarterly newsletter. This option provides a more cost effective way to connect, but also saves natural resources. We hope you'll give us your honest feedback on the change.

Please know it's our sincere desire to serve you. If we can be of help in any way, please let us know. We are looking forward to what God has in store for us all!

# Soldotna Church of God Updates

On Sunday, January 24th the Soldotna Church of God honored their pastors, Reverends Alan and Miriam Humphries with a beautiful retirement service. The Humphries have been faithful servants in the Soldotna area for 34 years. Though retired, they plan to continue in ministry, following the leading of the Holy Spirit. Join us in thanksgiving for the lives of these devoted warriors and in prayer for their continued efforts for God and His kingdom!

Congratulations to Andy and Beth Terry, the new pastors of the Soldotna Church of God. The previously pastored the Kotzebue Church of God before coming to Soldotna as associate pastor.

Join us in prayer for Andy, Beth, their son Reece, and daughter Amy Caroline. Pray that God will use them in a great way to further the wonderful work being done in Soldotna.
